

## **Philip Ramos**

### **What is your profession?**

- I am Asset Integrity Associate for Pinnacle Advanced Reliability Technologies.

### **What college(s) did you attend and what is your degree?**

- University of New Orleans: Finance Degree

### **What year did you graduate from PJP?**

- 2004

### **What are your hobbies?**

- Hunting, fishing and the gym

### **What is a fond or memorable moment you have concerning PJP or your time here?**

- When I think of fond moments and PJP, I think Commander McNitt. He sparked my most memorable interest in learning.

### **How do you feel like you have given back to the community?**

- I had the chance to raise money for St. Jude's. I always wish I could do more but, my experience with St. Jude's was one of the most humbling moments of my life.

### **Are there any major events that have occurred in your life since your time at PJP that you would like to share?**

- I met my two best friends (Jen and Chris) when I was a 14 year old freshman at PJP, we became inseparable. We, to this day, all still talk every day and hang out almost every weekend. About eight months ago they came to me and asked me to be the best man in their wedding. It is hands down one of the greatest moments of life to this day.
